

YOUR OLD TECH CAN CHANGE LIVES.

A simple, secure way for UK businesses to turn
redundant IT equipment into vital funds for
Macmillan Cancer Support.

SWITCH TO ITDONATE

Secure disposal | Responsible reuse | Charitable impact

A SMALL SWITCH. A BIGGER PURPOSE.

Make your next IT disposal count for more.

Thousands of UK organisations will need an IT recycling and data-destruction service. Some pay for it. Others receive it free. ITdonate offers a like-for-like - or better - service, while creating funds for Macmillan.
